

RAPiTRAD
THUNDERFAST TRANSLATIONS

WHO ARE WE?

Rapitrad, which was established in 1990, in over thirty years of **presence in the market**, has become a **leader** both at a national and at an international level. It provides its customers with services that are always in line with their needs: translations, interpreting, corporate language courses, and internationalization services.

OUR MISSION

Quality

We offer **quality** to our customers **by taking care of every step in our production process**, focusing on reaching excellence in our services.

Reliability

Rapitrad meets the customers' needs **by offering the greatest flexibility and reliability**.

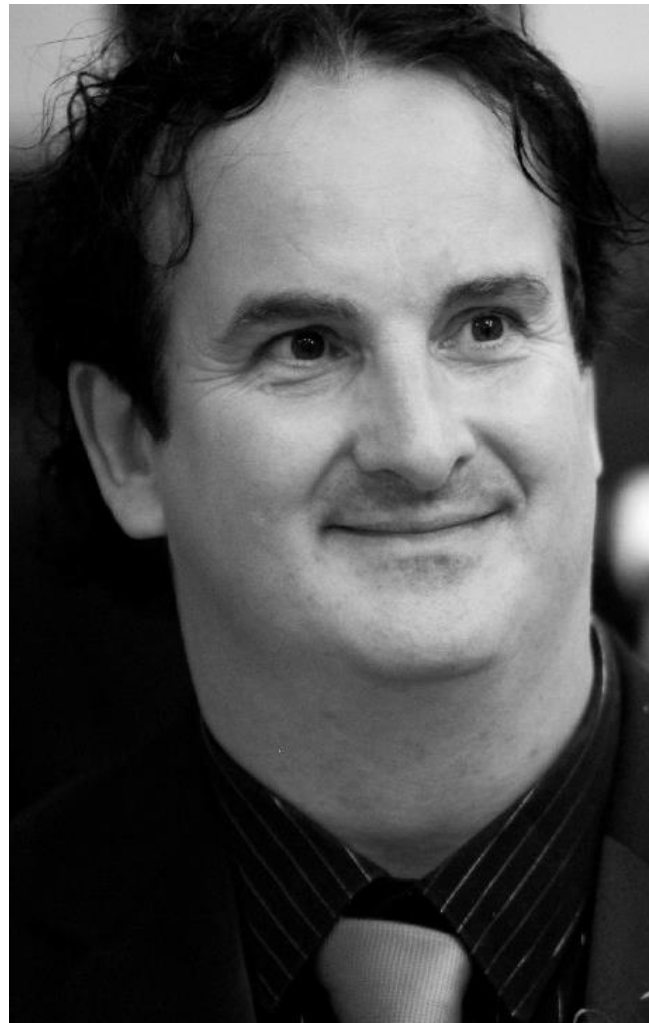

Rapidity

By **effectively planning** projects, we can identify the appropriate resources and tools needed right from the start, in order **to achieve immediate results** and complete jobs within the deadlines agreed.

REFERENCES

**MIRKO
SILVESTRINI**

CEO of Rapitrad
